Dear Maxwell,

We refer to the letter from Transport for NSW dated 15th April 2025. We have reviewed the letter and have amended the swing mooring plan to reflect the position of Transport for NSW that no private swing moorings are to be relocated. On this basis please find attached Drawing No. 6318-02/M.

If you require any additional information, please do not hesitate to contact me to discuss on 0408 369 369 or via email ned@addenbrooke.com.au.

Regards,

Ned O'Neil
