Subject: 29 Moore Road, Freshwater - DA 2021/1620

I would like to submit my objection to the further development of the Harbord Hotel.

This is a residential area where families live and visit. Consideration should be taken to families being able to enjoy the friendly beachside atmosphere. The introduction of further bars, noise, bad language and inebriation will diminish the relaxation and security of the village.

Traffic will considerably increase at all hours of the day and night as patrons come and go.

Noise levels will further increase as bars compete with music and patronage. Especially in outdoor areas.

The Harbord Hotel was once a family place to gather. I do not believe the developers have considered their neighbours in this development
