RE: Mod2014/0117 - 5 Lawrence Street FRESHWATER NSW 2096

Dear Sir

I would like to strongly object to the above DA.

The increase from 10 units to 16 units is not really a modification.
It will impact hugely on the surrounding streets, by increased traffic movement and visitor street parking,

It is a vast over development of this site and a disappointment that the developer was not satisfied with the earlier size and has now increased the units number by 60% thus bigger developer dollar with not respect for the existing character and lifestyle enjoyed at present

Regards

Grant Evans
