**RE: Mod2019/0118 - 60 Riverview Parade NORTH MANLY NSW 2100**

We live directly across the road from the development at 60 Riverview Parade North Manly and confirm from our perspective we still approve of the development applications. We have inspected internally and externally from the new balcony and study and we do not have any privacy issues. The new addition to the house is in character with the rest of the street and we confirm that we approve of the new renovation.
