Officer comments

This application has been assessed against relevant legislation and policy relating to waterways, riparian areas, and groundwater. The proposal is within Pittwater estuary and as such the development must not significantly impact on the biophysical, hydrological or ecological integrity of the estuary, or the quantity and quality of surface and ground water flows that it receives.

This application is unlikely to have an adverse effect on the integrity and resilience of the biophysical, ecological and hydrological environment of Pittwater estuary.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.
