To whom it may concern...

I use the roundabout concerned on numerous occasions...I have a daughter and grandchildren living nearby...and there are many times in a day where the traffic can bank up particularly in Roseberry Street travelling north.

There are already many businesses with exit points onto Roseberry Street adding another one will only exacerbate the situation.

A roundabout is supposed to facilitate a flow of traffic at an already busy intersection. By adding a drive through MacDonalds the traffic flow will be seriously reduced and this should be a major concern.

Yours truly..
