Subject: PLEASE REMOVE MY PREVIOUS 2 ONLINE SUBMISSIONS MADE IN ERROR ON 3rd APRIL 2018, REGARDING DA2018/0383 3 SUMMIT AVE DEE WHY 2099

Dear Sir/Madam,

I am the owner of no 5 Summit ave, Dee Why.

Yesterday, 3rd April 2018, was the last day for submissions/objections regarding above DA, hence I made a hurried submission without realising I had made a mistake due to the fact that I had not thoroughly viewed all the plans.

I then made another submission asking to have a section of the first submission, that was done in error, removed.

I called your office this morning to advise of problem and was told that you cannot edit submissions and that I should put in a third submission asking for the previous 2 to be removed. When I tried doing this I found that your system would not allow me to do it as the cut off date has expired.

Hence I ask you to please remove both my submissions made on 3rd April 2018 and put in the following new submission:

I object to the construction of the Timber Trellis, Vertical Operable Louvre and Privacy screens on the top floor balcony on the Eastern side as shown on p.2 of the plans marked 'East Elevation' Ex WD 15. If this work were to be approved by Council, I would be adversely impacted and disadvantaged as the proposed works would not only have an imposing effect over my property but would obstruct the outlook from my lounge room, bedroom and top floor balcony as well as restricting the flow of sunlight/natural light into those areas of my house. This is mainly due to the fact that the balcony in question is at only 2-3 metres distance away from my lounge room, bedroom and balcony. I have discussed my concerns with the neighbour but did not reach an agreement. I urge you to please seriously consider my objection and I would very much appreciate a sight inspection. To arrange a sight inspection and for any further enquiries or communication regarding this matter please contact my daughter Sue Injac on mobile: 0413 475 868

Best regards,

Jovanka Injac
