## 195-197 Sydney Road, Fairlight – Acoustic Design Review

This letter includes the acoustic design review of the proposed residential development located at 195-197 Sydney Road, Fairlight.

The acoustic review has been undertaken based on the revised design of the building including that detailed within the Mostagim architectural drawings, including drawings with the project number 20025 and dated 16/11/20.

The previously undertaken acoustic assessment completed by Wood and Grieve Engineers including the *195-197 Sydney Road, Fairlight – Acoustic Report, Development Application* and dated 31/8/18 includes suitable acoustic investigations and assessment of the site.

The *195-197 Sydney Road, Fairlight – Acoustic Report, Development Application* report includes the relevant assessment of the site and includes the required acoustic design requirements for internal noise level from environmental noise (including traffic noise) as well as detailing the criteria for noise emissions from the site which have been developed in accordance with the requirements of the EPA's *Noise Policy for Industry*.
