RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106

I speak as a member of Newport Community, having grow up surfing at Newport Beach. The proposed plans are a great way to further improve a significant cornerstone of our community. Even as a surfer, the club has always been a social hub and I believe provided a fantastic service to all beach users. It no secret the old club is falling apart. It looks tired and is in desperate need to modernise to keep up with the changing community. The other surf clubs that have been renovated in the area are beautiful and have been attracting new and younger demographics. I look forward to having a similar experience at Newport and seeing the club live up to its potential.
