**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

I think it's reasonable to have a complex in this location that includes units, but 51 is too many and out of character with the area. The other unit blocks in the area (Pound Ave Davidson and Glen Street) have less than a quarter this number of units. It will impact traffic in an area that has playgrounds, fields and childcare nearby.
