RE: DA2020/0040 - 66 Bower Street MANLY NSW 2095

Dear Mrs Shirley

We are the owners at 67 Bower st, opposite #66.

We believe the proposed development / design will greatly improve the street aspect of the current old flat garage roofs, and does not impact on our water views.

We are very comfortable with the proposed DA and have no issue to raise.

Kind regards

Olivier & Marie CHRETIEN
