RE: DA2020/1163 - 24 Wandeen Road CLAREVILLE NSW 2107

I would like say how disappointed I am in receiving the "updated" plans for 24 Wandeen Road. There appears to be an absolute minimum of changes, nothing addresses the removal of the trees and the house fitting in with the "lie of the land". I urge you please to re read all our submissions and in particular the lengthy report completed by Mr and Mrs Henry. I cannot believe council would even consider allowing this appalling display of blatant disregard to our neighbourhood.

I would be interested in attending any meetings regarding this application if I am allowed.

Please, please re read their application and our submissions. I was of the understanding that when council received so many objections it had to be elevated to a higher body for consideration. Perhaps I am mistaken.
