**RE: DA2019/0200 - 130 Old Pittwater Road BROOKVALE NSW 2100**

I object to this development, as the impact to the existing flora and fauna will be unacceptably destructive.

This bushland also needs to be retained for the importance of the wildlife corridor through this area. Studies seem to be inadequate, as this land also contains a zoning of Recreational, yet no mention is made of the buildings being built right to the boundary of this zone and the impacts this will have.
