Applicant:	Max Hayson Shop 3 Level 1 599 Pacific Highway ST LEONARDS NSW 2066
Property:	Lot 1 SP 67337 1 / 63 - 67 The Corso MANLY NSW 2095
Description of Development:	Modification of Development Consent DA2023/0849 granted for Alterations and additions to a commercial premise
Determination:	Approved Consent Authority: Northern Beaches Council
Date of Determination:	07/08/2024
Date from which the consent operates:	07/08/2024

Under Section 4.55 (1a) Minor Environmental Impact of the EP&A Act, notice is given that the above application to modify the original application has been approved, subject to the conditions specified in this notice and as described in the Modification Summary.

Reasons for approval

The development proposal meets the Objects of the Environmental Planning and Assessment Act 1979, contained in Section 1.3, having considered the relevant provisions under s.4.15 of the aforementioned Act. Consequently, the development is considered to be in the public interest, subject to conditions.

Community views

The application was notified in accordance with Council's Community Participation Plan and the Environmental Planning and Assessment Regulation 2021. Any submissions received representing community views were considered as part of the assessment of the application. Conditions of consent included within this Notice of Determination have been applied to ensure that the development satisfies the Objects of the Environmental Planning and Assessment Act and will not result in unacceptable environmental impacts.

Request a review of the determination

If you are dissatisfied with this determination, you may request a review of the determination:

- You do not have the right to request a review of the determination under section 8.3 of the EP&A Act if you are excluded from those developments listed under Section 8.2(2) of the EP&A Act.
- You may request a review of the consent authority's decision under section 8.3(1) of the EP&A Act. The application must be made to the consent authority within 28 days from the date that you received the original determination notice provided that an appeal under section 8.7 of the EP&A Act has not been disposed of by the Court.

Rights to appeal

You have a right under section 8.7 of the EP&A Act to appeal to the Court within 6 months after the date on which the determination appealed against is notified or registered on the NSW planning portal.

Objector's right of appeal against the determination

An objector who is dissatisfied with the consent authority's determination to grant consent, in relation to Designated Development only has the right to appeal to the Court against the determination under section 8.8 of the EP&A Act within 28 days after the date that the objector was notified of the determination appealed against.

Modification Summary

The development consent is modified as follows:

MODIFICATION SUMMARY TABLE

Application Number	Determination Date	Modification description
PAN - 443090 Council Modification Application No. Mod2024/0325	The date of this notice of determination	Modification of Development Consent DA2023/0849 granted for Alterations and additions to a commercial premise. Add Condition No.1A Add Condition No. 16A Add Condition No. 16B Add Condition No. 16C Add Condition No. 16D

Modified conditions

A. Add Condition No.1A - Modification of Consent - Approved Plans and supporting documentation, to read as follows:

Development must be carried out in accordance with the following approved plans (stamped by Council) and supporting documentation, except where the conditions of this consent expressly require otherwise.

Approved Plans				
Plan Number	Revision Number	Plan Title	Drawn By	Date of Plan
DA03	A	Proposed Floor Plans	Antoniades Architects	27 May 2024
DA08	A	Elevations	Antoniades Architects	27 May 2024
DA09	A	Sectons	Antoniades Architects	27 May 2024

Approved Reports and Documentation			
Document Title	Version Number	Prepared By	Date of Document
Waste Management Plan	-	-	11 June 2024
Flood Impact Assessment	-	WMS	18 June 2024
Fire Safety Schedule	-	Flame Services	Received by Council 21 June 2024

In the event of any inconsistency between the approved plans, reports and documentation, the approved plans prevail.

In the event of any inconsistency with the approved plans and a condition of this consent, the condition prevails.

Reason: To ensure all parties are aware of the approved plans and supporting documentation that applies to the development.

B. Add Condition 16A - Recessed Hydrant Booster doors to read as follows:

The Hydrant Booster doors are required to be recessed (200mm) from the external face of the shopfront window.

Details demonstrating compliance with this condition should be submitted to Council's Heritage Advisor prior to the issue of the Construction Certificate.

Reason: To minimise the visibility of this addition from the public domain.

C. Add Condition 16B - External materials and colour scheme to read as follows:

External materials and colour scheme Details of the external materials and colour scheme should be submitted to Council's Heritage Advisor prior to the issue of the Construction Certificate.

Reason: To ensure the proposed works are compatible with the heritage context.

D. Add Condition 16C - National Construction Code (BCA) upgrade requirements and Fire Safety upgrade to read as follows:

The National Construction Code (BCA) fire safety and access requirements for the building as detailed and recommended in the BCA and Access Report prepared by Design Confidence, dated 19/06/2024, Report No. P221_408, including any required Performance Reviews, are to be considered as part of the assessment for any Construction Certificate. Details demonstrating compliance are to be provided to the Certifying Authority, prior to the issue of a Construction Certificate.

Reason: To ensure adequate provision is made for Health, Amenity, access and Fire safety for building occupant health and safety.

E. Add Condition 16D - Fire Safety Matters to read as follows:

At the completion of all works, a Fire Safety Certificate will need to be prepared which references all the Essential Fire Safety Measures applicable and the relative standards of Performance (as per Schedule of Fire Safety Measures). This certificate must be prominently displayed in the building and copies must be sent to Council and Fire and Rescue NSW.

Details demonstrating compliance are to be submitted to the Principal Certifier prior to the issue of a part Occupation Certificate or Occupation Certificate. Each year the Owners must send to the Council and Fire and Rescue NSW, an annual Fire Safety Statement which confirms that all the Essential Fire Safety Measures continue to perform to the original design standard.

Reason: Statutory requirement under Parts 10, 11 & 12 of the Environmental Planning and Assessment (Development Certification and Fire Safety) Regulation 2021.

Important Information

This letter should therefore be read in conjunction with DA2023/0849 determined 22 November 2023.
