**RE: DA2020/1097 - 0 Campbell Parade MANLY VALE NSW 2093**

I strongly oppose the use of Passmore reserve for more sporting facilities given we already content with night light , noise and traffic issue from Nolan.  
But I am further alarmed at the late timing of turning the lights off! 9.30 pm!! How do I get my children to sleep at a reasonable hour?? This is entirely unreasonable and untenable for young families , professionals up early for work or elderly. PLEASE reconsider an earlier " lights off".
