**RE: DA2019/1190 - 9999 Pittwater Road BROOKVALE NSW 2100**

Despite a number of false starts, it is encouraging to hear that there are plans to improve a number of aspects of the facility at Brookvale Park (Brookvale Oval)

Having lived in the area for 30 years the Manly Warringah Sea Eagles have contributed significantly to my love and pride of the area.

As a family of 5 we are regular attendees as Sea Eagles home games and much as we love "Brooky" it is clear that it needs to be upgraded to allow it to offer better facilities for the community as a whole.

The proposed development will allow additional community facilities for larger events and meetings, will contribute to the increase of, and promote, female participation across many sports due to inclusion of female change rooms

The inclusion of more and better access for disability patrons to attend sports events on the Peninsula will also likely be welcomed by many in the community.

As a rate payer I would like to request that the plans be looked upon in a favourable light.

Thanks and best wishes

Bob
