RE: DA2023/0718 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I wish to support Bayview Golf Club's DA2023/0718. As a member, I am conscious not only of the benefits to my health and that of the c1000 other playing members - not to mention the hundreds of non-member social players who use the course; but also of the benefit to our natural environment, flora and fauna, offered by the Club's care of this parkland resource. The Club's desire to renovate 11 greens and build 1 new green demonstrates its conscientious stewardship of this green belt for this and future generations. I am therefore happy to support the Club's application.
