RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097

The Development Application for DA2020/1453 looks to me as good fit for the local area with its low rise and from what appears to be a beach theme.

Having lived on the Northern Beaches for well over 50 years this type of development will continue to suit all of the aspects that Collaroy has to offer for many years into the future.
