Re: DA 2022/0805 Lot 1 Weemala Road, Duffys Forest. Use of part of the site for a training facility ANIMAL BOARDING or training establishment.

Dear Sir/Madam,

I am writing to you regarding the development application to the above property.

My family strongly urge you to not approve this application due to the noise pollution it will further contribute to. Duffys Forest already has gun clubs and other boarding kennels, where the dogs bark throughout the day and night.

Im not one for writing letters of complaints but I feel very strongly about this matter as we live directly behind them so you can see on the map we have the gun club (that Im sure is getting louder or have more shooting bays going) then this property then myself so please don't pass this application.

Thanks you

Dale Gregory
