RE: DA2022/0456 - 62 Myoora Road TERREY HILLS NSW 2084

I am concerned of the impact of the extra traffic with the construction of the new dwelling to my street. I live directly across the road from flower power and at times traffic and parking is horrendous. With heavy machinery coming and going during construction, I am worried that it will impact on my and my families entering and leaving our property.

Does Terry Hills need another large building when these services are already close by?
