Subject: DA2021/2232 submission re access to 1851 property

I received your notification re above DA.

The concern for me is that under no circumstance can they access 1851 via our 1843-1849 Pittwater Rd access driveway. This driveway is owned by ROW for properties 1843-1849 only. All utility trucks, concreting etc MUST be done via 1851 access to their property which is via Vista Ave. This must be adhered to.

Could you advise u have received this letter and that no access via our private road will be noted on DA. The owner or its trucks or workers are not permitted on private property.

Thank you

Heather Rulli
