Dear Sir/Madam,

Re: Construction Certificate: No. CC0576/04
Property: No.1193 Barrenjoey Road, Palm Beach

Thank you for selecting Council to assess your application.

After due consideration, the following items remain outstanding and require your attention to enable Council to approve your Construction Certificate:

- Condition B60 - The Structural Engineering details are to be signed by a qualified practising Structural Engineer or provide a statement from a qualified practising Structural Engineer certifying the submitted Structural Engineering details. The Structural Engineer is to have corporate membership of the Institute of Engineers Australia (M.I.E), or who is eligible to become a corporate member and has appropriate experience and competence in the related field or alternatively.
- Provide a statement identifying the existing surface materials of the building in relation to Condition B34 - "Schedule of finishes".

We endeavour to make phone contact with our Customers to ensure a timely turn around in information although at times this may not be possible and/or Customers require written confirmation. If you have attended to these issues please disregard this letter.

All new information provided to Council should clearly quote your application number CC0576/04.

Yours faithfully

Carl Georgeson
