RE: DA2018/1708 - 197 Sydney Road FAIRLIGHT NSW 2094

I am in favour of the proposed housing development at 195-197 Sydney Rd Fairlight 2094. In the Manly area we need a variety of accommodation types for different individuals and families especially those that are more affordable. I feel that the proposed location is suitable, being on a main road, close to public transport and walking distance to both Fairlight and Balgowlah shopping areas.
