Dear Applicant,

**Re: Request for Further Information of Proposed Development DA2023/1395 – 1010,1012,1014
Pittwater Road Collaroy NSW 2097**

Reference is made to A-77856. WaterNSW has reviewed the information provided with the development application related to water supply works.

WaterNSW requests that the consent authority stop-the-clock for this development and arrange for the applicant to provide the following information to enable assessment of the application:

1. The following information is requested.
 - (i) Pump and size (i.e. 80mm Submersible pump).
 - (ii) Volume of water to be extracted annually if available.
 - (iii) Duration of the water take for dewatering if available.
 - (iv) Method of measuring the water take and recording.

Please address the information requested as soon as possible. If the information has not been received by WaterNSW **within 28 days**, and no request for an extension of time has been received, WaterNSW may refuse to issue General Terms of Approval.

Should there be any further enquiry in this matter, please email david.murphy@waternsw.com.au

Yours sincerely

David Murphy
