**RE: DA2025/0032 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

I trust the large illuminated Pittwater sign of 10m x 1.5m will be of subdued illumination so as not to dazzle motorists driving north on Warriewood Road at night. The new roundabout is proving challenging enough for many motorists without an illuminated sign diverting their attention as they approach this roundabout and making it difficult to see cars approaching down Foley Street.

I was also of the opinion illuminated signage was not permitted in the Warriewood release area.
