**RE: DA2018/1708 - 195 Sydney Road FAIRLIGHT NSW 2094**

OBJECTION:

I object to the development for the following reasons:

- It is not in keeping with the neighbourhood development and I can't believe this would be allowed as my own small scale renovation was rejected time and time again until finally approved
- Parking is already a major issue in the area and whilst I have two parking spaces, many of my family neighbours with only one car have trouble finding a parking spot
- Kevin has already shown this does not work in Manly, which is a more transient area, so it definitely won't work in Fairlight due to noise, garbage and general congestion issues
