RE: PEX2024/0002 - 10 - 12 Dee Why Parade DEE WHY NSW 2099

To the Planning Assessor,

I would like to support this planning proposal by Dee Why RSL, as my grandmother has been awaiting a suitable apartment at Oceangrove for several years (she lives in Collaroy Plateau), yet apartments rarely become available. She loves the village and has a friend who lives there, who tells her how happy she is there.

The location next to the club is a definite positive because it would mean that she could venture out on her own and meet friends for a coffee or see a show, or buy a meal in the bistro. She gets lonely as she lost her husband (my grandpa) several years ago, and being close to the bus, shops and her doctor across the street would mean so much to her - and to us.
