Subject: RE: DA2020/0552 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

I **strongly object** to DA 2020/0552 181 ALLAMBIE RD for the reasons outlined below:-

The chosen area for the development of seniors housing is not ideal as it contains important flora and fauna . The rich diversity this land holds should remain for ourselves and future generations to appreciate.

To alter the ecosystem would displace many animals who would further entrench into peoples backyards or disappear all together.

During covid19, one thing that got me through loosing my job, was the fact I could go hiking, breathe fresh air, and hear the natural sound of birds. With these simple pleasures, the lockdown and social isolation became bearable.

This place is also a memorial park which is important for many people to remember the fallen. These reminders allow us to appreciate more our lives.

Thank you for reading this,
I hope you understand the importance of this land.
