**RE: DA2021/0212 - 5 Skyline Place FRENCHS FOREST NSW 2086**

I object to this development proposal on the following grounds:

- a) reduction in green cover when we need all we can get to keep environment cool and oxygenated
- b) unacceptable height of the buildings totally out of character with the rest of the area
- c) conflict between the presence of a swimming pool in this development and Warringah aquatic Centre. Providing this smaller facility will be used as leverage to removal of the WAC, which meets a much larger local demand.
