RE: Mod2019/0178 - 2 Orchard Street WARRIEWOOD NSW 2102

On behalf of the Warriewood Residents Association we ask that the NBC apply the conditions of the Warriewood Master Plan to all the plantings and house colours and designs. We note that there are no plantings in the area in front of the constructed houses along Orchard Street as required in the master plan. NBC must follow the master plan for the plantings in size and species as well as the continued protection and development with appropriate retention.
