RE: DA2021/2065 - 0 Market Lane MANLY NSW 2095

The area in question has effectively become the domain of the 'bar' and is yet another alcohol outlet. Manly already has more alcohol outlets than it needs. The area is better suited for people to enjoy an outdoor meal from the small food outlets close by. When music was allowed it was a great spot to be and many people enjoyed the atmosphere.

So the strong message from me is less alcohol and more of a family atmosphere supporting the food outlets and creating an atmosphere with music and colour.
