RE: DA2024/1216 - Gourlay Avenue BALGOWLAH NSW 2093

I do not support the berthing of superyachts with proposed lengths of 32m (105ft) and 25m (82ft) respectively. A maximum proposed length of circa 15m (50ft) is appropriate. Superyachts will negatively impact the amenity (noise and views), together with the safety of this tranquil mooring area which is already highly populated with boats and highly used for recreation (swimming, canoeing and paddle boarding). I do not support the introduction of a liquor licence to a new kiosk from 6am to 9am (or within this proposed timeframe) given it will have a negative sound effect over the water to surrounding residential homes. I am supportive of a kiosk with shorter operating hours exclusive of a liquor licence.
