RE: DA2020/1758 - 11 Lewis Street BALGOWLAH HEIGHTS NSW 2093

I'm writing to object to the proposed child-care development at 11 Lewis Street, Balgowlah Heights.

There is already significant traffic issues in the Lewis Street and surrounding areas at school drop off and pick up times. I live on the corner of Ernest and Woodland Streets and at peak times it's impossible to get into or out of my driveway because of the constant flow of traffic. I've even had parents park across my driveway whilst they collect their children from school. The development will also impact the already shambolic traffic conditions at Balgowlah Heights shopping centre given that Beatrix Street is a major filter point for cars arriving and leaving the area.

Adding potentially another 40 cars to current volumes will be unsustainable and I urge the council to reject this development.
