**RE: DA2020/1136 - 13 Pacific Road PALM BEACH NSW 2108**

I wish to object to the proposed 3/4 storey building development at 13 Pacific Road, Palm Beach. My property at 16 Norma Road, Palm Beach looks directly across to the site of the current building in question. A new building of such huge proportions would dominate the whole lot visually and undermine privacy to a number of properties along Norma Road. The proposed building is totally out of keeping with this quiet residential area and lacks any environmental considerations or concerns for surrounding properties.
