

Building Assessment Referral Response

Application Number:	DA2022/1490
Proposed Development:	Demolition works and construction of a new dwelling house, swimming pool, secondary dwelling and retail shop/office premises
Date:	13/06/2023
To:	Alex Keller
Land to be developed (Address):	Lot 21B DP 395978 , 28 Bangaroo Street NORTH BALGOWLAH NSW 2093

Reasons for referral

This application seeks consent for Class 2-9 Buildings (i.e. all buildings except a dwelling, garage, shed, gazebo or swimming pool/spa) which include:

- Alterations and Additions; or
- Change of Use

And as such, Councils Building Assessment officers are required to consider the likely impacts.

Officer comments

Amended Plans dated 19/5/2023

The application has been further investigated with respect to to the amended plans. There are no objections to approval of the development subject to inclusion of the attached conditions of approval and consideration of the notes below.

Note: The proposed development may not comply with some requirements of the BCA and the Premises Standards. Issues such as this however may be determined at Construction Certificate Stage.

Supported with conditions.

The application has been investigated with respects to aspects relevant to the Building Certification and Fire Safety Department. There are no concerns with the application subject to inclusion of the attached conditions of approval and consideration of the notes below.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.

Recommended Building Assessment Conditions

CONDITIONS TO BE SATISFIED PRIOR TO THE ISSUE OF THE CONSTRUCTION CERTIFICATE

Access and Facilities for Persons with Disabilities

Access and facilities to and within the building are to be provided as required for Persons with a Disability in accordance with the Building Code of Australia and AS1428. In this regard the recommendations made in the Access Assessment Report ref 116561-Access-r1 prepared by Jensen Hughes dated 26/8/2022 are to be taken into consideration as part of the assessment of the Construction Certificate. Details are to be provided to the Certifying Authority prior to the issue of the Construction Certificate and be implemented prior to occupation of the building.

Reason: To ensure adequate provision is made for access to and within the building for Persons with a disability.

National Construction Code / Building Code of Australia

The walls of the proposed secondary dwelling where less than 900mm from an allotment boundary or less than 1.8 m from another building on the same allotment other than a Class 10 building associated with the Class 1 building or a detached part of the same Class 1 building and any openings within these walls is required to comply with the *Building Code of Australia*. Parts of the buildings with the classification of 6 & 8 shall also comply with the relative Sections of the BCA.

Details demonstrating compliance are to be provided to the Certifying Authority prior to the issue of the Construction Certificate.

Reason: To ensure adequate provision is made for fire safety and for building occupant safety.

Fire Safety Requirements – BCA / NCC

The Fire safety requirements for the building as detailed and recommended in the BCA Assessment Report prepared by Jensen Hughes, dated 26/8/2022, Project No. 116561-BCA-r1, including any required Performance Reviews, are to be considered as part of the assessment for any Construction Certificate. Details demonstrating compliance are to be provided to the Certifying Authority, prior to the issue of a Construction Certificate.

Reason: To ensure adequate provision is made for Health, Amenity, access and Fire safety for building occupant health and safety.
