Just to let you know -

We can be affected by noise from the RSL Club even where we live in Kay Close particularly from the Bowlers at the Club when they are outside having a carnival or suchlike but not at 6 or 7am on a Sunday morning so - no complaint at all!

with a predominant southerly, as we are on the north side of the markets, we can be affected by noise from that area and the possibility that this could happen now at 7am on a Sunday morning let alone 6am is quite anxiety provoking. To add to this we have been dealing with a lot of noise from the upgrade of Mona Vale road which we accept and cope with as we know it is for the benefit of everyone (including safety) but a market?????? don't even feel happy with them setting up at 7am on a Sunday. Please keep in mind you have your Northern Beaches residents to consider, with not just the markets, but all the cars turning up and adding to the noise issue.

Please consider my view of this for the locals who live near Pittwater RSL carpark and all residents of Northern Beaches

with thanks  
Ann Burleigh
