RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

Dear Council,

We support this development application, which looks like a great new design.

We have three kids that we take to whale beach often. Now that the Kiosk is gone, there are no amenities with easy access to the beach and this proposal appears to have a café/restaurant at the beach level, even with pram access.

And the existing ugly building is way overdue for renewal.

We are excited to see this go ahead.

Best

Vanessa and Sheriff Iskander
