Re: DA 2024/0946 - Pilu Restaurant - 80 Undercliff Rd., Freshwater

Pilu Restaurant is iconic, its reputation and world class status is exactly how we would like Freshwater to be recognised.

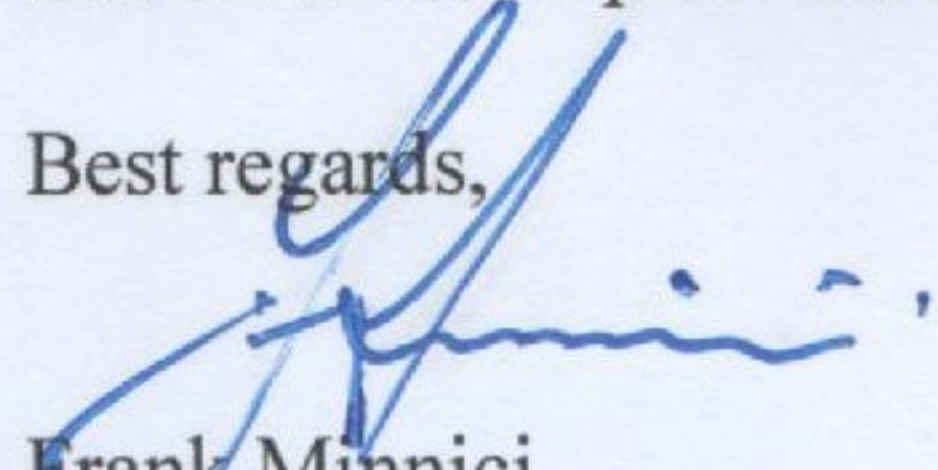

This heritage listed building has been renovated to the highest standards, and it's location overlooking Freshwater Beach makes it one of Freshwater's most popular attractions.

Marilyn and Gourvanni have operated and managed this Restaurant for many years, and their dedicated management skills has endorsed this venue as world class.

We certainly understand that a main concern has been car parking, but we know for a fact that most patrons arrive via taxi or Uber.

It is our understanding that this current DA is seeking to formalise an arrangement that has been in place for many years, and therefore we strongly support approval.
