EXTERNAL FINISHES SCHEDULE

To whom it may concern

Please find below the selected finishes for the proposed works at 8 Darius avenue, North Narrabeen NSW 2101

Metal Roof in Colorbond Dune

Dune®

Dune® is a warm, pale grey that invokes feelings of balance and neutrality. It is associated with the dusty earth of the Australian bushland, the soft pelt of native marsupials, and the textured landscapes of granite rock and stone.

Exterior walls painted in Colorbond Surfmist

Surfmist®

Surfmist® embodies qualities of freshness, purity timelessness and independency. Snow, the mist from the sea and surf, pure white sand, and the billowing sails of yachts all remind us of this colour.

Window and timber trimmings painted in Colorbond Surfmist / white

PLEASE NOTE: Colours reflected on this schedule do NOT necessarily reflect true colours.
