RE: DA Application Number: DA2021/1612 1 Clarke Street NARRABEEN NSW 2101

Dear NB Planning,  
I'm a long time resident of the area and I oppose this construction of armoured approach to protecting the shoreline which will reflect wave energy eventually causing disappearance of the beach.  
I would like more consideration given to an offshore solution such as an artificial reef or artificial sandbar using geotextiles which could enhance sand accretion.  
Regards,  
Gregg
