RE: DA2020/1233 - 68 - 90 Evans Street FRESHWATER NSW 2096

Dear Sirs

We all know what the right thing is to do

A Police Officer  
A Nurse  
A Counsellor  
A Club Director  
A Family Man

This DA2020/1233 for a bowling green at Harbord Diggers will take away our right as a family to get together in a beautiful place with our children and grandchildren which is the main reason we bought here and the main reason for most of us to live.

We at watermark over 55s, are from all walks of life from bankers' lawyers' accountants' pilots to council workers, we have all ended up in the same place for the same reason, to enjoy life in a great environment and to make new friends, and it works. We all get a long we have a community second to none we all help each other and we back each other so we will fight this DA to the end - United

We have residents with health issues who deserve the peace and quiet that we were told we would have.

We as a community look after each other, and we will not leave any one behind.

We moved here to enjoy our retirement in a secure and peaceful environment.

I am a member of Manly Bowling Club and I play there twice a week and Pennants I will continue to play there.

Regards
