I am sending you this email in protest against the proposed development on the corner of Barrenjoey Road and Robertson Road Newport.

This development is not in keeping with the local village. Already too many unsympathetic buildings have gone up in Barrenjoey Road Newport and I feel we are losing the seaside character of this once beautiful village. I am especially dismayed at the plan to have a parking lot accessed from Robertson Road.

Please rethink this madness and start planning developments for the local people who live in and love this place.
