RE: DA2020/0744 - 635 Warringah Road FORESTVILLE NSW 2087

Dear sirs

Why is Forestville becoming the home for so many boarding houses? There is already one on the corner of Warringah and Altona and I have seen several attempts to apply for more over the months. The area is a family suburb. Roads and public transport is already at capacity. I object to the building of another one.
