To the Planning Panel,

I object to DA2022/0469 which would be a monstrosity of a development adjacent to Barrenjoey House and completely out of context with the Pittwater built and natural environment. If this behemoth were to be approved it would be yet more evidence that the disastrous so-called "Northern Beaches Council" is intent on turning the northern beaches and Pittwater into a pseudo-Surfers Paradise/Gold Coast high-rise concrete crap disaster area.
