Dear Sir/ Madam

I am the owner of the premises at unit 1 - 1070 to 1076 Barrenjoey Rd Palm Beach.

The lodging of an objection in regard to a proposed development across the road from our unit is out of character for me, however I feel this development warrants such an objection.

Accordingly in reference to the above DA, I would like to submit an objection to the proposed development on the following grounds:-

- 1) An over development of the existing area which destroys the existing streetscape.
- 2) Loss of partial view out to Pittwater from our common area level 2 open recreation area.

Submitted for your consideration.

Kind Regards

Peter and Robyn Blundell
