RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

Please do not redo the pub, increase noise or make space for more patrons. We are sick and tired of the drunk idiots that fall out of the pub all evening and at closing time. They hang around our street yelling and screaming waiting for an Uber or a cab, pissing in our front yard, diving on our cars, smashing glasses they have pinched from the pub, set fire to things and damage our property.

Our gate has been broken, my car has been dented and our rubbish bins get tipped over and we have had to clean up smashed glass and pick up the rubbish so many times we cannot count anymore. We call the police about drunken yobbos almost on a weekly basis. We do not need more drunks in our street. There is also no parking. We cannot find a park for ourselves let alone have people park here and leave their car overnight while they get pissed and get a cab home. This is dangerous as there have been so many fights and large groups screaming, and people passed out on the road and even sleeping in our front yard. There is enough noise and drama when the pub closes now. We do not need any more Chaos. Please do not make it worse than it already is.
