Subject: DA Variation for Mona Vale Market - Mod2019/0547

I operate the charity stall to raise funds for the Cancer Council and have done so for many years at the market's previous location at Frenchs Forest. The proposed opening of the market at 7.30am rather than the current time of 8.30am would enable additional funds to be raised for such a worthy cause and is one that I wholly support. There are many local residents who arrive before 8.30am to purchase items but have to be turned away. The reason generally given for their early visit to the market is to enable them to get away to enjoy the rest of the family day and their children's commitments.

Kind regards
