Dear Rob Stokes, Councillors, and Planning Panel,

Disappointed, disgusted, dismayed!

How is it that elected officials and those who are meant to be working for the community are not listening or actively pursuing the voice of the Newport residents? Newport residents have made it very clear that the development of 351 Barrenjoey Road is not what they / we want. Over 1300 responses to an online survey were clearly against this development! Over 300 written submissions to NBC were clearly against this development! Over 1000 people have signed up and actively follow the Save Robertson Road group! Hundreds of dollars have been donated already to Save Robertson Road! Just this morning an online petition to Save Robertson Road has over 320 signatories and growing fast!

It's time! It's time to start representing those that vote you. We do not want 351 Barrenjoey to destroy Robertson Road and the opportunity for Newport to have a heart.

Sincerely,

Lucille Moore
