RE: DA2018/1481 - 1 / 0 Veterans Parade NARRABEEN NSW 2101

Dear Assessing Officer,

As a mother of 3 young children who live within the area effected by the tower, and with 2 children attending St Rose catholic school for 6 hours per day I am extremely concerned about the effect of having a mobile phone tower so close to the school and to our home.

The studies on the EMR emanating from the tower and their effects on those living (or studying) within 500m of the tower are extremely concerning, including higher mortality rate from cancers, high rate of fatigue, depression, memory loss, concentration problems, head aches and sleep problems.

Due to these dangers, and the close proximity of the tower to 2 schools, I respectfully request that this DA be denied.

Many thanks
