RE: DA2019/1234 - 0 Wharves And Jetties MANLY NSW 2095

This proposed development to provide a substantial increase in the capacity of the facility concerns me and I object to its being approved.

This will add significantly to the noise and other problems associated with large scale liquor licence facilities and will add nothing to the overall peace and enjoyment of the surrounding area by residents. It will no doubt however attract a large number of out of area visitors who will contribute to the abovementioned issues and associated problems
